All and any CONSTITUTIVE ACT are null, void or in any event annulled, including those of the purported World, National, Community and Federal Governments and similar and assonant private law companies registered with the US Securities and Exchange Commission (SEC), including but not limited to any and all abbreviations or other legal forms including but not limited to all those forms of law also known as Civil Code, Criminal Code, Civil Procedure Code, Criminal Procedure Code, Civil Law, Common Law, Positive Law, Nautical Code, Road Code, *et al*, financial and managerial and provided for therein; any and all AFFILIATED OFFICES, including any and all OFFICIALS, all Law Enforcement Agencies, EMPLOYEES OF THE PUBLIC ADMINISTRATION, EXECUTIVE ORDERS, TREATIES, CONSTITUTIONS, MEMBERSHIP, ACTS and any and all contracts and agreements including any and all PROFESSIONAL ORDER, TITLE, ACADEMIC TITLE, PROHIBITION or AUTHORIZATION that may have been made or acted upon in derivation thereof. The aforesaid **DECLARATION OF FACTS**, UCC Doc. #2012127914, integrated and identified in this writing, reaffirmed and redefined herein, remains **UNREBUTTED** and exists as Absolute Truth of Law, in commerce and in BEING, inscribed in the public record (https://archive.org/details/OPPTUCCFILINGS) **is an ordinance of Universal Law, valid in and for the whole world.**

Furthermore, we draw attention to:

- DECLARATION & ORDER (Orig. DECLARATION & ORDER) Ref: UCC Doc #2012096074, September 09, 2012, duly confirmed and ratified by COMMERCIAL BILL UCC Doc #2012114586 and TRUE BILL UCC Doc #2012114776 states that:

To all Souls, eternal essence, and, to all men and military volunteers,

"Arrest and take into custody any and all in their own person, their agents, employees, and other actors, regardless of choice of domicile who own, operate, and favor private monetary systems by issuing, collecting, activating legal enforcement systems, or who implement slavery systems against the citizens of countless States", and "recover all private monetary systems, tracking systems, transfer systems, issuing, collecting, legal enforcement systems, which implement slavery systems".

"... All Creator beings assist without delay all public servants identified in this document, to implement, protect, preserve, and complete this ORDER by all means of the Creator and created, as indicated in this document, by, with, and under their own full personal responsibility .... ".

Now, Defendants, properly informed, act solely on their own unlimited liability, proprietary, and personal, each as an individual entity, as opposed to a natural person, juridical person, public official *et similia et idem sonans*, without a corporate governmental safety net, without any immunity; are liable for direct or indirect damages, according to the Law of Commerce, UNIFORM COMMERCIAL CODE (UCC), the only form of law still in force, preserved and protected by public order UCC §1-103 and subsequent documents, for all and any kind of illegal and illegitimate conduct that causes any damage and/or loss to every *living homo* (as opposed to the extraterritorial body, Legal Representative R. L., human person, human being, natural person, legal fiction, citizen, user, patient, individual, legal person, legal entity and legal prosecution center, and similar and assonant, including psychophysical, neuro-emotional, and material damage resulting from: detention, inspection, search, and any other form of restriction and deprivation of inalienable freedoms, compulsory health treatment (OST), vaccination, gene inoculation, molecular testing, antigen testing, serological testing, salivary testing, nasopharyngeal testing, invasive medical practices without free and informed consent, any and all known and unknown tests and tools, not specifically mentioned here, used for the collection of biological samples, genetic material *et similia et idem sonans*, ostracism, fraud, illicit, and similia, any and all forms, structures and modalities of mortgage, financing, overdraft, overdraft line discovered, interest, fees, guarantee, security, bail, investment and similar and assonant, property seizure, property damage and/or any other harm detrimental to the Absolute Integrity and Dignity measurable in the I AM energy of living and free men and women.

Therefore, by persevering in acting for and on behalf of an entity that is foreclosed, null and void, nullified and cancelled, causing any injury to free and living men and women as set forth herein, Defendants, in their individual and unlimited capacity, would become absolutely liable.

Such actions give rise to lawful proceedings brought against the Defendants, pursuant to UCC §1-305, including, but not limited to, foreclosure on the Defendants' estate; even if perpetrating the very serious crime of enslavement of the living *homo*, in a living body of flesh, bones and blood, of the living and free men and women of the Earth who constitute the New Governance enacted in force and governed by ONE PEOPLE I AM. https://www.law.cornell.edu/ucc/1/1-305

Act, therefore, *in toto* under Commercial Law, in accordance with UCC §1-103 and The One People's Public Trust 1776 procedure, as individual entities, without a corporate governmental safety net, under their full and unlimited personal and proprietary liability, under penalty of perjury and fraud and prejudice and dishonor before the First Creator and Natural, Universal, Divine, Eternal and Free Will Law.

The rebuttal of all documents in the proceeding filed by The One People's Public Trust 1776, which has never been receive by the powers that be, is only valid of sworn to, duly verified under penalty of perjury and fraud before the competent courts and before the First Creator.

Having matured reasonable doubt as to the generally widespread corrupt practices to the detriment of the individual and collective sovereignty of the peoples of the Earth, and having ascertained the failure to refute the aforementioned deposits, without prejudice to the fundamental right recognized by you of "resistance to all forms of external or domestic oppression", the consent of I AM is expressly revoked and remains denied to any and all forms of usurpation of fundamental Rights that are imprescriptible, inalienable, inconvertible in privilege, and pre-existing to all forms of administration.
Such a denial counts as a declaration of secession from the corrupt system, keeping all of the declarant's Rights formally reserved - UCC 1- 308. https://www.law.cornell.edu/ucc/1/1-308

Below: Immunity Guaranteed by Eternal Documents, IAM-pac-06131973 - I AM.

It is good to know that the change of jurisdiction does not entail the relinquishment of our constitutional rights (pension, etc.) but in fact makes us free to decide what duties to fulfill: it should be pointed out that in International Law there is no taxing obligation, but only the moral duty to contribute to the expenses of the host state according to our financial capacity and will.

In this regard, it should be noted that the OPPT 1776 filing was also drafted in International Law and makes precise reference to International Common Law, with which it aligns and conforms.

The Common Law (Common Law) "the story"
After the Romans left Britain in the year 407, when the local people found themselves without jurisdiction and the laws collected in Roman law, they began to self-administer justice by observing and respecting only local customs.

Disputes generally took place before public assemblies that sifted the opposing arguments of the disputants, and oaths were widely used as evidence to resolve the various disputes. Those, whether defendant or accused, who wished to support their defense arguments had to swear to their truthfulness, and it was necessary for other individuals, varying in number according to the seriousness of the offense in dispute or the importance of the disputed right, to swear in turn that their assertion was truth. In this context, the Common Law was born.

In later years The Common Law was always distinct from other forms of adjudicative law in parallel systems: the ecclesiastical courts of the Roman Catholic Church, merchant law (commercial law), and maritime law administered in the Admiralty courts. It should be mentioned that the ancient Admiralty Law also originated as customary, based on Honor, but its principles were gradually transcribed and transcribed in dishonor into the norms/statutes of the Positive Law of Corporations. Although the United Kingdom has an unwritten constitution, many important elements of it are found in statutes that were enacted by Parliament. From the Magna Carta of 1215 to the Bill of Rights 1689 and other Acts.

In 1776, at the height of the Industrial Revolution, the Common Law guaranteed the realization of one of the events that changed history, the declaration of independence of the United States. In fact, this creates the assist for the British Parliament, which uses the pretext of the demand for greater clarity and accessibility to the law to reinvent a form of legislative legal power, now defined in Civil Law.

From that historical context are consolidated the laws of men, which we now call the corporate laws of Positive Law, created by jurists, far removed from the will of the People and the customs that represent them in the Common Law. Despite this in many cases correctly interpreting and applying Civil Law statutes is arbitrary and complex, and it is again the Common Law that is entrusted with the final judgment: the Common Law accumulates a wealth of detailed rules by reference and is much richer than the Civil Law code of law.

The common law is practical in nature, it is the product of tried and learned solutions that have solved the difficulties of judging situations related to everyday life, and it is not the product of academic speculation for its own sake and often devoid of concrete experimentation.

The United Kingdom has a system of governance that places Parliament as the supreme body of law: legislation drafted by Parliament takes precedence over the Common Law, in total disgrace and against the will of the People. Matters of national security, defense of the realm and implementation of the armed forces are ostensibly entrusted to the Queen, but in fact we all know that directives come from the Deep State, the Deep State. Despite the fact that the Common Law has always had superior value with regard to individual human rights, ratified in International Treaties, the creation of legal fictions maintained in place an illegitimate corporate supremacy, until December 25, 2012.

On this historic date, the procedure that foreclosed and foreclosed the entire corporate system was completed by The One People Public Trust 1776, subsequently ratified by One People, filed on March 18, 2013, to enforce doc. 2012096074 - Declaration & Order and containing the imperishable order to cease and desist from all forms of slavery. The documents filed in the UCC are all irrefutable, therefore OPPT 1776 is de jure International Law of higher rank, made available to all mankind: de facto it must now be enforced, and we under Common Law protection can enforce and implement such preclusion.

È bene sapere che il cambio di giurisdizione non comporta la rinuncia dei nostri diritti costituzionali (pensione ecc.) ma di fatto ci rende liberi di decidere quali doveri ottemperare: va precisato che nel Diritto Internazionale non esiste alcun obbligo impositivo, ma unicamente il dovere morale di contribuire alle spese dello Stato che ci ospita in base alla nostra capacità finanziaria e al nostro volere.

A tal proposito si noti che anche il deposito OPPT 1776 è stato redatto nel Diritto Internazionale e fa preciso riferimento alla Legge Internazionale Common Law, alla quale si allinea e si conforma.

La Legge Comune (Common Law) "la storia"

Dopo la partenza dei romani dalla Britannia, nell'anno 407, quando le popolazioni locali si ritrovarono prive di giurisdizione e delle leggi raccolte nel diritto romano, iniziarono ad auto-amministrarsi la giustizia osservando e rispettando solo le consuetudini locali.

Le dispute si svolgevano generalmente davanti ad assemblee pubbliche che vagliavano le opposte ragioni dei contendenti e per risolvere le varie controversie si faceva largo ricorso al giuramento quale prova. Chi, convenuto o imputato, intendeva sostenere le sue tesi difensive, doveva giurare sulla loro corrispondenza al vero ed era necessario che altri individui, in numero variabile a seconda della gravità del reato contestato o dell'importanza del diritto controverso, giurassero a loro volta sul fatto che la sua affermazione era verità. In questo contesto nasce la Common Law, la Legge Comune.

Negli anni successivi La Legge Comune si è sempre distinta dalle altre forme di diritto giudicativo dei sistemi paralleli: i tribunali ecclesiastici della Chiesa cattolica romana, il diritto del mercante (legge commerciale), il diritto marittimo amministrato nei tribunali dell'Ammiragliato. Va detto che l'antica Legge dell'Ammiragliato nasce anch'essa consuetudinaria, fondata sull'Onore, ma i suoi principi sono stati progressivamente traslati e trascritti in disonore nelle norme/statuti del Diritto Positivo delle corporazioni. Sebbene il Regno Unito abbia una costituzione non scritta, molti elementi importanti di essa si trovano in statuti che sono stati emanati dal Parlamento. Dalla Magna Carta del 1215 al Bill of Rights 1689 (Carta dei Diritti) ed altri Atti.

Nel 1776, in piena rivoluzione industriale, la Legge Comune garantisce la realizzazione di uno degli eventi che hanno cambiato la storia, la dichiarazione di indipendenza degli Stati Uniti. Di fatto questo crea l'assist al Parlamento britannico che utilizza il pretesto della richiesta di maggiore chiarezza e accessibilità alla legge per reinventarsi una forma di potere giuridico legislativo, oggi definito nella Civil Law. Da quel contesto storico si consolidano le leggi degli uomini, che oggi chiamiamo leggi corporative del Diritto Positivo, create dai giuristi, lontane dal volere del Popolo e dalle consuetudini che lo rappresentano nella Common Law. Nonostante ciò in molti casi interpretare e applicare correttamente gli statuti della Civil Law è arbitrario e complesso ed è ancora una volta alla Common Law che viene affidato il giudizio finale: la Legge Comune accumula una grande ricchezza di regole dettagliate per riferimento ed è molto più ricca del codice di diritto Civil Law.

La legge comune è di natura pratica, è il prodotto delle soluzioni sperimentate e acquisite che hanno risolto le difficoltà di giudizio delle situazioni legate alla vita di tutti i giorni, e non è il prodotto della speculazione accademica fine a sé stessa e spesso priva di sperimentazione concreta.

Il Regno Unito ha un sistema di governance che pone il Parlamento quale corpo supremo della legge: la legislazione elaborata dal Parlamento ha la precedenza sulla Legge Comune, in totale disonore e contro la volontà del Popolo. Le questioni di sicurezza nazionale, la difesa del regno e l'implementazione delle forze armate sono apparentemente affidate alla Regina, ma di fatto tutti sappiamo che le direttive arrivano dallo Stato Profondo, il Deep State. Nonostante la Legge Comune abbia sempre avuto valore di rango superiore in merito ai diritti individuali dell'Uomo, ratificati nei Trattati Internazionali, la creazione delle finzioni giuridiche ha mantenuto in essere una illegittima supremazia corporativa, fino al 25 dicembre 2012.

In questa data storica, è stata portata a termine da The One People Public Trust 1776 la procedura che ha precluso e pignorato tutto il sistema corporativo, successivamente ratificata da One People, depositata il 18 Marzo 2013, a far valere il doc. 2012096074 - Declaration & Order e contenente l'ordine imperituro di cessare e desistere da ogni forma di schiavitù. I documenti depositati in UCC sono tutti inconfutati, pertanto OPPT 1776 è de jure Diritto Internazionale di rango superiore, reso disponibile a tutta l'umanità: de facto ora va esecutato, e noi sotto tutela Common Law possiamo rendere esecutiva e attuare tale preclusione.

Having awakened to the truth that since the moment of our birth We have been contracted to corporate institutions which by their very nature serve neither people nor planet, and in hereby revoking in earnest all such contracts which have blinded, encumbered, and sought to separate us from our most noble expression, We now claim a rightful place in this world which the Supreme Creator within has provided for us all, as equals amongst all, and will take such action as to ensure the restoration of truth and justice for all people of the world.We have met with such a truth, as We have come to know it, understand it, and embrace it, and now choose to be ruled by it for the rest of our days.

We, according to the solemn duty as aforesaid, and per the dictate of conscience, ratify the present treaty with the earnest intention that truth and reason be restored to the delivery of justice in the world.
And so, recognising that in Truth:
Law in its purest form requires nothing more or less than that we each do no harm.
Harm in any form is only ever caused by natural persons, regardless of whether or not the natural person may claim to be operating under corporate dictate, colour of law, or otherwise.

Harm in any form is only ever capable of being suffered by natural persons, regardless of whether or not the harm suffered may have been so suffered through a natural person's artificial externalities.
Neither corporate immunity, nor colour of right, can indemnify a natural person for harm caused to another.
No natural person is bound by the unlawful ruling of a de facto court where they are not a consenting party with full knowledge of the manner in which their consent is given.

We the natural men and women of the world, pursuant to the ultimate goal of realising equal rights and dignity for each member of the human family, HEREBY MANDATE the International Tribunal for Natural Justice.
The Tribunal shall exist and function according to Constitution of the International Tribunal for Natural Justiceas included by reference herein.

Let this message go forth from this time and place to all the peoples of the world that to right the wrongs done to them and in vindication of their rights and the enforcement of just causes and to hold accountable those responsible for breaches of human rights it is proclaimed that the International Tribunal for Natural Justice is hereby established pursuant to this Treaty and Constitution.

When people are told they are being poisoned from the sky and the chemical trails are making them sick, the usual response is to attack with imaginary claims the trails are condensation or compressed hydrogen. Another response is to say the government would not lie to us.
How many government employees and ordinary people have said Geoengineering is a myth and not real. Then laughed at those informing them of the truth.
Yes, Geoengineering is real which includes weather modification. I suggest you look into what is being sprayed above innocent peoples heads and the effects it has on all humans, animals (yes your pets). The earth itself is being poisoned to the point farmers won't be able to grow nutritious food.
MSDS and COSHH have to be followed and understood. The men and women doing geoengineering do not follow any rules.

Public Notice – Dated 25 June 2024

How To Halt Any Court Action Against You

As a living man or living woman you have the right to challenge the authority and jurisdiction of any court that seeks to prosecute you. According to the rules that the state is bound by, if the court cannot establish authority and jurisdiction to hear the case they may not proceed. This is a **Fact**.
The issues of authority and jurisdiction must be established at the beginning of any case. Once you lodge your challenge, the court can't proceed against you until the issue of authority and jurisdiction has been dealt with.
In attempting to establish authority and jurisdiction a judge may not simply claim to have it, that's like you claiming that you are Donald Duck. Once challenged, the issue of authority and jurisdiction has to be dealt with by a higher court.
The aim of presenting this challenge is to confirm that the state does not have authority or jurisdiction over living men or living women. All points raised in this challenge are not controversial and cannot be reasonably disputed, as long as one point is established, you have removed their authority and jurisdiction which confirms that they cannot proceed.

The Requirements

When using this challenge, only **Facts in Law** are used to achieve a result. Many people have tried to use this argument in the past and have been ignored. Only if we stand together and use the following steps can we address this issue.
To confirm your position, the following steps must be complied with. This will confirm your standing and the fact the state can no longer prosecute you. Links to the relevant pages are provided and there is no charge for this. Just complete the five steps below to allow you to issue your Lawful Challenge.

1. You have to create your own account on commonlawcourt.com
2. You have to complete your Birth Certificate declaration to obtain a BC number. This confirms when your mother delivered you and that you are living.
3. Complete an application for ownership of the Fictitious Name to obtain a FN number. This is the legal entity 'PERSON' that the state created and use to bind you into slavery.
4. Complete an entry for your Lawful Birth Date to obtain a LBD reference number. This is the date when you were created in your mother's womb.
5. Complete your application to join the Cruinn Community to obtain a CCN number. This confirms you stand together with other members all across this realm.

The Challenge

Now that you have completed the required forms, we proceed with the Challenge document. This document is prepared for you and must not be changed, the only changes required are explained in the notes section. These changes are only required to personalise your challenge and are coloured in **red**.
As we need to confirm that the state does not have authority or jurisdiction over us, we need to establish FACTS which confirm our position. The following information outlines the points that we use in the Lawful Challenge:

1. **The Declaration of the Common Law Court**
   This is a founding document that establishes the position of living men and living women and confirms they are not bound by statute law.
   This is a fact and cannot be disputed.
2. **The Lawful Charter of the Cruinn Community**
   This is a founding document that establishes the creation of the Cruinn Community for living men and living women. The Cruinn Community operates under the authority and jurisdiction of the Common Law Court.
   This is a fact in law and cannot be disputed.
3. **The PERSON**
   This is a legal entity and also a corporation which the state unlawfully attaches to living men and living women. The creation of the PERSON allows the state to conduct business through unlawful contractual agreements. All statutory legislation relates to a PERSON.
   This is a fact in law and cannot be disputed.
4. **Living men and living women**
   The position of living men and living women is confirmed with a declaration of birth on the Common Law Court.
   This is a fact in law and cannot be disputed.
5. **Conflict of laws**
   This exists when you deal with two separate judicial systems.
   The statutory system exists and deals with PERSONS, corporations, contracts and statutory legislation.
   The common law system exists and only deals with living men, living women and the law of the land.
   This is a fact in law and cannot be disputed.
6. **The Hague Conference on Private International Law 1951**
   An international agreement that establishes the need to address a conflict of laws.
   Until an appropriate court is established to deal with a dispute, no hearing may proceed until this conflict of laws is dealt with.
   This is a fact in law and cannot be disputed.
7. **Authority**
   Until authority is established to deal with a dispute, no statutory hearing may proceed.
   If authority is challenged, the judge may not just claim they have it.
   This is a fact in law and cannot be disputed.
8. **Jurisdiction**
   Until jurisdiction is established to deal with a dispute, no statutory hearing may proceed.
   If jurisdiction is challenged, the judge may not just claim they have it.
   This is a fact in law and cannot be disputed.
9. **Slavery**
   Slavery is banned throughout the world in all forms. This includes the use of attaching a slave name to a living man or living woman, to create the PERSON.
   This position has been re-enforced with numerous supreme court rulings.
   This is a fact in law and cannot be disputed.

10. **The United Nations Declaration on Human Rights 1948**
    Created after the second world war to establish and protect all Human Rights.
    All signatories to this agreement are bound by their articles.
    This is a fact in law and cannot be disputed.
11. **The Clearfield Doctrine**
    A supreme court ruling states:
    'Since these government bodies are not Sovereign, they cannot promulgate or enforce criminal laws; they can only create and enforce civil laws, which are duty bound to comply with the law of contracts.'
    The law of contracts requires a wet ink signature from both parties with a written agreement and complete transparency! Enforcement of any corporate statutes on a living man or living woman without their consent is unlawful and the enforcer can be held personally liable for their actions.
    This is a fact in law and cannot be disputed.
12. **Common Law Court Order 2019 – Guildford**
    This order was obtained from a lawfully convened court and a jury of twelve reasonably minded peers.
    The order addressed the issue of Elizabeth Alexandra Mary Battenberg and her coronation in 1953.
    The ruling obtained confirmed that the coronation was not conducted correctly, and that Elizabeth Alexandra Mary Battenberg was never crowned the Queen, this therefore confirms that all statutory courts, judges and police have no authority as they would have obtained this from the Queen.
    This is a fact in law and cannot be disputed.
13. **Common Law Court Order 2024 – Dundee**
    This order was obtained from a lawfully convened court and a jury of twelve reasonably minded peers.
    The order addressed the crimes committed against the people by the state and confirmed the state is guilty of committing various crimes against the people.
    These crimes are applicable to this case.
    This is a fact in law and cannot be disputed.

In Conclusion

When you issue your lawful challenge to the court, you are informing the clerk that you require a suitable date for this lawful challenge to be dealt with, in a venue of their choice.

Your lawful challenge informs the court of the utmost importance to have the head of their court system summoned and present in court. Your lawful challenge has to be heard before a jury so you can face, examine and question your false accuser regarding the case referred to.

Finally, they are notified that until such time as this lawful challenge has been dealt with, all further action in relation to this issue must be ceased.

Footnote:

Once this challenge has been issued, their own system confirms that it must be addressed. To assist with this process and to make sure that the system is held accountable, you send off the additional copies and inform the people by *recording it on the* Common Law Court *website so that they are aware of the courts behaviour.*

It is no longer acceptable to use the system for personal gain and to attack the people.

Article 100 - Cestui Que Vie Trust

Canon 2036
A Cestui Que VieTrust, also known later as a "Fide Commissary Trust" and later again as a “Foreign Situs trust” and also known as a form of “Secret Trust”is a fictional concept being a Temporary Testamentary Trust, first created during the reign of Henry VIII of England through the Cestui Que Vie Act of 1540 and updated by Charles II through the Cestui Que Vie Act of 1666 wherein an Estate may be effected for the Benefit of one or more Persons presumed lost or abandoned at “sea” and therefore assumed/presumed “dead” after seven (7) years. Additional presumptions by which such a Trust may be formed were added in later statutes to include bankrupts, minors, incompetents, mortgages and private companies.

Canon 2037
The original purpose and function of a Cestui Que (Vie) Trust was to form a temporary Estate for the benefit of another because some event, state of affairs or condition prevented them from claiming their status as living, competent and present before a competent authority. Therefore, any claims, history, statutes or arguments that deviate in terms of the origin and function of a Cestui Que (Vie) Trust as pronounced by these canons is false and automatically null and void. A Cestui Que (Vie) Trust may only exist for seventy (70) years being the traditional accepted "life" expectancy of the estate.

Canon 2038
A Beneficiary under Estate may be either a Beneficiary or a Cestui Que (Vie) Trust. When a Beneficiary loses direct benefit of any Property of the higher Estate placed in Cestui Que (Vie) Trust on their behalf, they do not “own” the Cestui Que (Vie) Trust and are only the beneficiary of what the Trustees of the Cestui Que (Vie) Trust choose to provide them.

Canon 2039
As all Cestui Que (Vie) Trusts are created on one or more presumptions based on its original purpose and function, such a Trust cannot be created if none of these presumptions can be proven to exist.

Canon 2040
The Trust Corpus created by a Cestui Que (Vie) is also known as the Estate from two Latin words e+statuo literally meaning “by virtue of decree, statute or judgment”. However, as the Estate is held in a Temporary not permanent Trust, the (Corporate) Person as Beneficiary is entitled only to equitable title and the use of the Property, rather than legal title and therefore ownership of the Property. Only the Corporation, also known as Body Corporate, Estate and Trust Corpus of a Cestui Que (Vie) Trust possesses valid legal personality.

Canon 2041
The Property of any Estate created through a Temporary (Testamentary) Trust may be regarded as under “Cestui Que Use” by the Corporate Person, even if another name or description is used to define the type of trust or use. Therefore “Cestui Que Use is not a Person but a Right and therefore a form of "property".

Canon 2042
In 1534, prior to the 1st Cestui Que Vie Act (1540), Henry VIII declared the first Cestui Que Vie type estate with the Act of Supremecy which created the Crown Estate. In 1604, seventy (70) years later, James I of England modified the estate as the Crown Union (Union of Crowns). By the 18th Century, the Crown was viewed as a company. However by the start of the 19th Century around 1814 onwards upon the bankruptcy of the company (1814/15) , it became the fully private Crown Corporation controlled by European private banker families.

Canon 2043
Since 1581, there has been a second series of Cestui Que Vie Estates concerning the property of "persons" and rights which migrated to the United States for administration including:

(i) In 1651 the Act for the Settlement of Ireland 1651-52 which introduced the concept of "settlements", enemies of the state and restrictions of movement in states of "emeregency"; and **(ii)** In 1861 the Emergency Powers Act 1861; and
(iii) In 1931 the Emergency Relief and Construction Act 1931-32; and **(iv)** in 2001 the Patriot Act 2001.

Canon 2044
Since 1591, there has been a third series of Cestui Que Vie Estates concerning the property of "soul" and ecclesiastical rights which migrated to the United States for administration including: **(i)** In 1661 the Act of Settlement 1661-62; and
(ii) In 1871 the District of Columbia Act 1871; and **(iii)** In 1941 the Lend Lease Act 1941.

Canon 2045
By 1815 and the bankruptcy of the Crown and Bank of England by the Rothschilds, for the 1st time, the Cestui Que Vie Trusts of the United Kingdom became assets placed in private banks effectively becoming "private trusts" or "Fide Commissary Trusts" administered by commissioners (guardians). From 1835 and the Wills Act, these private trusts have been also considered "Secret Trusts" whose existence does not need to be divulged.

Canon 2046
From 1917/18 with the enactment of the Sedition Act and the Trading with the Enemy Act in the United States and through the United Kingdom, the citizens of the Commonwealth and the United States became effectively "enemies of the state" and "aliens" which in turn converted the "Fide Commissary" private secret trusts to "Foreign Situs" (Private International) Trusts.

Canon 2047
In 1931, the Roman Cult, also known as the Vatican created the Bank for International Settlements for the control of claimed property of associated private central banks around the world. Upon the deliberate bankruptcy of most countries, private central banks were installed as administrators and the global Cestui Que Vie/Foreign Situs Trust system was implemented from 1933 onwards.

Canon 2048
Since 1933, when a child is borne in a State(Estate) under inferior Roman law, three (3) Cestui Que (Vie) Trusts are created upon certain presumptions, specifically designed to deny the child forever any rights of Real Property, any Rights as a Free Person and any Rights to be known as man and woman rather than a creature or animal, by claiming and possessing their Soul or Spirit.

Canon 2049
Since 1933, upon a new child being borne, the Executors or Administrators of the higher Estate willingly and knowingly convey the beneficial entitlements of the child as Beneficiary into the 1st Cestui Que(Vie) Trust in the form of a Registry Number by registering the Name, thereby also creating the Corporate Person and denying the child any rights as an owner of Real Property.

Canon 2050
Since 1933, when a child is borne, the Executors or Administrators of the higher Estate knowingly and willingly claim the baby as chattel to the Estate. The slave baby contract is then created by honoring the ancient tradition of either having the ink impression of the feet of the baby onto the live birth record, or a drop of its blood as well as tricking the parents to signing the baby away through the deceitful legal meanings on the live birth record. This live birth record as a promissory note is converted into a slave bond sold to the private reserve bank of the estate and then conveyed into a 2nd and separate Cestui Que (Vie) Trust per child owned by the bank. Upon the promissory note reaching maturity and the bank being unable to “seize” the slave child, a maritime lien is lawfully issued to “salvage” the lost property and itself monetized as currency issued in series against the Cestui Que (Vie) Trust.

Canon 2051
Each Cestui Que Vie Trust created since 1933 represents one of the 3 Crowns representing the 3 claims of property of the Roman Cult, being Real Property, Personal Property and Ecclesiastical Property and the denial of any rights to men and women, other than those chosen as loyal members of the society and as Executors and Administrators.

Canon 2052
The Three (3) Cestui Que Vie Trusts are the specific denial of rights of Real Property, Personal Property and Ecclesiastical Property for most men and women, corresponds exactly to the three forms of law available to the Galla of the Bar Association Courts. The first form of law is corporate commercial law is effective because of the 1st Cestui Que Vie Trust. The second form of law is maritime and trust law is effective because of the 2nd Cestui Que Vie Trust. The 3rd form of law is Talmudic and Roman Cult law is effective because of the 3rd Cestui Que Vie Trust of Baptism.

Canon 2053
The Birth Certificate issued under Roman Law represents the modern equivalent to the Settlement Certificates of the 17th century and signifies the holder as a pauper and effectively a Roman Slave. The Birth Certificate has no direct relationship to the private secret trusts controlled by the private banking network, nor can it be used to force the administration of a state or nation to divulge the existence of these secret trusts.

Canon 2054
As the Cestui Que Vie Trusts are created as private secret trusts on multiple presumptions including the ongoing bankruptcy of certain national estates, they remain the claimed private property of the Roman Cult banks and therefore cannot be directly claimed or used.

Canon 2055
While the private secret trusts of the private central banks cannot be directly addressed, they are still formed on certain presumptions of law including claimed ownership of the name, the body, the mind and soul of infants, men and women. Each and every man and woman has the absolute right to rebuke and reject such false presumptions as a member of One Heaven and holder of their own title.

Canon 2056
Given the private secret trusts of the private central banks are created on false presumptions, when a man or woman makes clear their Live Borne Record and claim over their own name, body, mind and soul, any such trust based on such false presumptions ceases to have any property.

Canon 2057
Any Administrator or Executor that refuses to immediately dissolve a Cestui Que (Vie) Trust, upon a Person establishing their status and competency, is guilty of fraud and fundamental breach of their fiduciary duties requiring their immediate removal and punishment.

Article 101 – Mortgage/ Mutuo

Canon 2065
Any inferior Roman court that openly permits the unrepaired and open fraud of Trust Law, Estate Law and the law of Wills by refusing to repudiate any financial institution that monetizes or multiplies the sale of a loan without consent or remedy to the borrower openly consents that the whole system of Roman Trust Law, Estate Law and Wills no longer applies and is null and void.
